and they were given food. By that time, the persons were served with food and these 25 people were offered with food which consisted of milk, bread, etc., according to the rules. This, they refused. They demanded that they should be treated as 'A' class prisoners. The Jail Officer who is in-charge of that sub-jail was not empowered to treat them as 'A' class prisoners. The only authority that could treat such prisoners as 'A' class was the trial magistrate. The jail officer therefore directed the application to the magistrate concerned. That day, they did not take any food. The next day morning, they were served with food which was cooked in the jail itself. As the jail was inadequate to accommodate the 25 persons, they were taken to the Central Jail at Bangalore. Thereafter they are being treated here and there is no complaint so far as hunger strike or whatever it is, is concerned. They are served with food cooked in the jail. The application so far about their being treated as 'A' class prisoners is pending with the Magistrate. So far as their hunger strike is concerned, there is no such strike. These are the facts that I wish to place before the House for the information of the Hon'ble Member.
